## Editorial

Dear Colleagues and Readers

It is my pleasure to present Volume 11, Issue 1 of the *International Journal of Humanities and Cultural Studies* (IJHCS). As usual, the journal included many articles dealing with interdisciplinary issues written by authors from different disciplinary affiliations. The contributions of our authors enormously enriched the content and perspectives of the IJHCS.

I sincerely thank our respected authors for selecting the IJHCS, our reviewers for reviewing the selected articles for this issue and the Administrative Board for its contribution to helping the IJHCS achieve this success. The next issue will be published in September 2024 and your valuable contributions are welcome till 25 August 2024.

With Best Regards,

**Dr. Hassen Zriba**
